CHEESY LOOPS

WHY WE LOVE IT

Cheesy Loops – The Perfect Ring of Flavour

Golden and crispy on the outside, soft and creamy on the inside – Cheesy Loops turn cheese into a fun and irresistible snack experience. Their playful ring shape makes them eye-catching and ideal for sharing, while the combination of fine cheese and potato in a light, crunchy batter delivers full flavour with every bite. Perfect for both retail and foodservice.

Why we love it

A deliciously unexpected snack experience: our Crispy Vegetable Sticks with Pickled Gherkin combine a tangy green gherkin center with a golden-brown, crispy coating. The contrast between the crunchy exterior and the juicy, tender filling creates a unique texture that delights with every bite. A mild aroma of pre-fried breadcrumbs adds to the appeal, while the distinctive taste of pickled gherkin harmonizes perfectly with the savory coating. Whether as a snack, appetizer, or innovative side – this finger food is sure to stand out.

CHILLED

Frostkrone is now moving into chilled finger food. The innovator in the frozen finger food category is now bringing its classics and innovation to a new segment in the supermarket. We bring you finger food with a shelf life of approximately 28 days. Our products come in a transparent plastic tray with stickers. Available for your own private label brand across Europe.

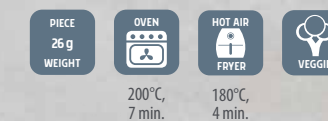

A crispy and cheesy delight!
