CHEESE

Why we love it

An indulgent and distinctive snack experience: our Hazelnut Camembert Triangles combine creamy Camembert with a delicate crunch of finely chopped hazelnuts, all encased in a golden, crispy coating. The contrast between the meltingly soft cheese center and the crunchy exterior creates a rich and satisfying texture with every bite. Subtle notes of garlic and onion enhance the savory profile, while the nutty aroma perfectly complements the mild, creamy Camembert. Whether served as a snack, appetizer, or premium side, these triangles bring a touch of sophistication to any occasion.
